

Athens, Coexistence of Memory and Modernity

JUNE 25th - JULY 6th, 2017

A twelve day tour of Athens focused on preservation and conservation issues facing the city, involving a series of lectures and visits lead by expert Athenian architects, historians, conservators and planners who have been grappling with the problem of preserving monuments and culture in the midst of a bustling modern city.

Subjects covered will include:

- History and evolution of the city
- Art and culture of the city over time
- Conservation of archaeological monuments
- Modern urban development and architecture
